

SENATOR MARSH: With the issue being reconsideration I would like to call to the bodies attention...Mr. President. I would like to call the attention of the body, on page 41 of our rule book, under Rule 7, "Where such motion be to reconsider the vote on a bill which lacks the constitutional majority on Final Reading with the emergency clause attached but which received the constitutional majority with the emergency clause stricken, and the purpose of the motion is to again add the emergency clause, then a 2/3 vote of the elected members shall be required for adoption". With that as background, Mr. President, I would like to pose an inquiry. For reconsideration on this particular issue, will it require 33 votes?

PRESIDENT: That is my understanding, Senator Marsh. Senator Kremer, would you close debate on this matter.

SENATOR KREMER: No close.

PRESIDENT: Alright. No closing. It does take 33 votes. The question is shall the Legislature reconsider its action. Record your vote. This is Final Reading. Senators are to be at their desks. Senator Marvel. Have you all voted? Have you all voted? Record. Senator Kremer.

SENATOR KREMER: I ask for a roll call vote.

PRESIDENT: Alright. Call the roll.

CLERK: Took roll call vote found on pages 2293 and 2294 of the Journal. 31 ayes, 10 nays, remainder not voting.

PRESIDENT: The motion to reconsider fails. The question is still before us then. Having failed to receive the constitutional majority required, shall this bill now pass without the emergency clause. Record your vote. We are under Final Reading. Record.

CLERK: Read record vote found on page 2294 of the Journal. 29 ayes, 10 nays, Mr. President. Mr. President, your Committee Enrollment and Review reports we have examined and reviewed LB 532 and find the same correctly enrolled. Signed, Senator Cullan, Chairman.

PRESIDENT: LB 273 passes. While the Legislature is in session and capable of transacting business I propose to sign and do hereby sign LB 532. What is the next bill, Mr. Clerk?

CLERK: Read Maresh motion regarding LB 431 found on page 2295 of the Journal.

PRESIDENT: Senator Maresh.

SENATOR MARESH: Mr. President, members of the Legislature. This is to reaffirm our stand. LB 30, the food tax bill, goes into effect as of January 1, 1977. I move that the rules be suspended so that this can be read today.

PRESIDENT: Senator DeCamp.

SENATOR DeCAMP: Just so I completely understand it. Without this bill the sales tax credit, to \$20, would not go into effect and we would have \$6 million more in the treasury. Is that correct?
